

Preliminary program	07/08/2025		08/08/2025
9:00-9:30	Registration	9:00-9:30	Scientific Session: Challenging questions
9:30-10:00	Overall status of CATA.	9:30-10:00	Scientific Session: Searching for Answers
10:00-10:30	Coffee break	10:00-10:30	Coffee break
10:30-11:30	Highlights per area (areas 1, 2, 3, 4)	10:30-11:30	Discussion on Science Challenges
11:30-12:30	Highlights per area (areas 5,6,7,8)	11:30-12:30	Planning the future: Instrumentation
12:30-14:00	Lunch	12:30-14:00	Lunch
14:30-15:30	Planning the future: Computational Infrastructure	14:30-16:00	Planning the future: Technological Transfer
15:30-16:00	Coffee break	16:00-16:30	Coffee break
16:00-17:30	Training/Outreach/Communication	16:30-17:30	Final remarks
16:00-18:00	Internal meeting of PIs		

07/08/2025 Each CATA research area will have 15 minutes to present the main achievements from the fourth year of the project. Presentations by advanced PhD students and/or postdoctoral researchers are strongly encouraged.

08/08/2025: Both scientific sessions will be dedicated to discuss future challenges for CATA.
